

#### STEP 1

Download the app from the Apple App Store or Google Play store.

#### STEP 2

Cut out the marker below along the black edge and place it in the area you'd like to visualize the item in.

*\* To ensure best results, place in a well-lit area.*

#### STEP 3

Select a product in app, aim your camera at the marker and enjoy a live AR view of the products!

#### SMALL MARKER

This marker is formatted to be printed on 8.5"x11" paper. For best and accurate results, the marker should be 3.5"x3.5" in dimension.

**LARGE MARKER**

This marker is formatted to be printed on 8.5"x11" paper. For best and accurate results, the marker should be 7.5"x7.5" in dimension.
